

DOING LANGUAGE ASSESSMENT WORK IN INDUSTRY

A mini-panel talk and Q&A

Dr. Sarah Goodwin
Assessment Scientist at Duolingo

investigates English and Spanish language assessment. She was a postdoctoral fellow for Dr. Ryan Bowles (HDFS at MSU), researching the measurement of preschoolers' and kindergarteners' oral language proficiency. Sarah has developed and scored test items for examinees from a wide range of ages, including dual language learners of English and other languages, as well as examinees with disabilities. She holds a Ph.D. in Applied Linguistics from Georgia State University.

Dr. Xiaowan Zhang
Test Development Manager at Metametrics

is responsible for the development, delivery, and validation of language tests. She recently received her Ph.D. in Second Language Studies from Michigan State University. While at MSU, she taught second language acquisition, teaching methods, and pedagogical grammar to TESOL undergraduates. She holds a master's degree in TESOL from the University of Illinois at Urbana-Champaign.
